

## Research Interests

System security, software security, binary analysis, and vulnerability research.

## Education

<b>Hanyang University ERICA</b> B.S. in Computer Science GPA: 4.28 (In Progress)	Mar 2023 – Feb 2026 (Expected)
<b>Academic Credit Bank System</b> B.E. in Computer Engineering GPA: 4.17	Dec 2021 – Feb 2023

## Work Experience

<b>Logistics Command, Republic of Korea Air Force</b> , South Korea Non-Commissioned Officer, Cyber & Information Systems Operations – Developed web and IoT applications – Conducted vulnerability assessments – Implemented remediation measures	Oct 2019 – Oct 2023
--	---------------------

## Activities

Student Mentor – 2024 SW Together Hackathon	Nov 23 – 24, 2024
Algorithm Society O&I – Hanyang University	Mar 2024 – Dec 2024

## Honors & Awards

<b>Awards</b>	
1st Place at Hanyang University – 22nd TOPCIT (University Division)	Dec 2024
1st Place – Intra-University Alliance Hackathon	Dec 2024
1st Place – 21st TOPCIT (University Division), Minister of Science and ICT Award	Jul 2024
Outstanding Staff Award – Air Force Logistics Command	Aug 2023
2nd Place – 19th TOPCIT (Air Force Division)	Jul 2023
Outstanding Learner Award – Academic Credit Bank System	Feb 2023
1st Place – 18th TOPCIT (Air Force Division)	Dec 2022
3rd Place – 44th Air Force ICT Competition (CTF)	Oct 2022

## Scholarships

Hanyang Electronics & ICT Alumni Association Scholarship	Nov 2024
Merit-based Scholarship	Mar 2024 – Dec 2024
National Science & Technology Scholarship	Mar 2023 – Dec 2024

## Certificates & Qualifications

---

### Certificates

OffSec Exploit Developer (OSED)	Feb 2025
SQL Developer	Jul 2023
Engineer Information Security	May 2023
Engineer Computer System Application	Jun 2022
Engineer Information Processing	Jun 2021

### Qualifications

TOEIC 985	Feb 2025
